

Please answer the following questions. Too often we do not know the people with whom we meet with on an irregular basis. This is an interesting way to get to know one another better. At each meeting, a question will be asked such as "What do Jane Doe, John Smith and Hubba Bubba have in common?" There will also be questions in the newsletter. It should be fun and informative to find out what we have in common with others. So again, please complete the questionnaire.
